

EAST ANGLIAN SAILING TRUST

Sailing for people with disabilities

March 2018

Personal information request and Membership Application

EAST's aims include the provision of facilities for visually impaired adults and those with other disabilities to take part in sailing and related activities. All who are interested in furthering the objectives of EAST or in taking part in its activities qualify for membership of this Regional Trust.

EAST provides disabled people and their carers with regular opportunities to access and enjoy sailing activities whilst promoting enhanced independence, confidence and community involvement.

Many other people support our work by becoming Friends of EAST and making a donation of £25 every year. It is a great way of ensuring that EAST is able to continue to provide sailing opportunities for people with disabilities or impairments. If you choose not to participate as an active volunteer, please tick 'Supporter/Friend' on the application form. Both members and 'friends' are kept in touch with our activities through a newsletter and social events.

Annual subscription: Adult member £25, Junior member (under 18) £5, Friend: £25
